

Activation of Mastercard® Identity Check™.

All payment cards of LPB Bank must be activated for Mastercard® Identity Check™ (hereinafter – ID Check) before shopping online with any of LPB Bank payment cards on the websites supporting 3D Secure payments. To activate ID Check for your card, visit Internet bank, under section “Accounts”, or Customer Service Center and fill in free-form application.

Select a payment card for the further usage while shopping online. This card must have status active.

To register the payment card for ID Check, press a button “ID Check Settings” next to the payment card details.

Next please confirm registration with the received One-Time Security Code or generated signature code from **DIGIPASS** code calculator (Section 4.2.).

If you choose a mobile phone number when selecting a device type, you may enter any mobile phone number to which One-Time Security Code will be sent to approve online purchase.

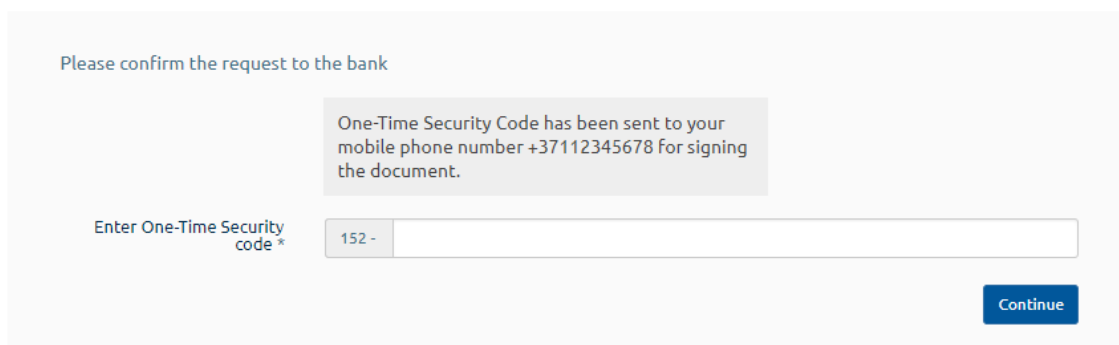

ID Check Settings  5421888168889562

The screenshot shows the 'ID Check Settings' page. At the top, there is a 'Personal Assurance Message' field containing the text 'My secure purchase'. Below this is an 'Add device' section with a dropdown menu set to 'Mobile phone', a country code dropdown set to '+371', and a phone number field containing '12345678'. A 'Save' button is located to the right of the phone number field.

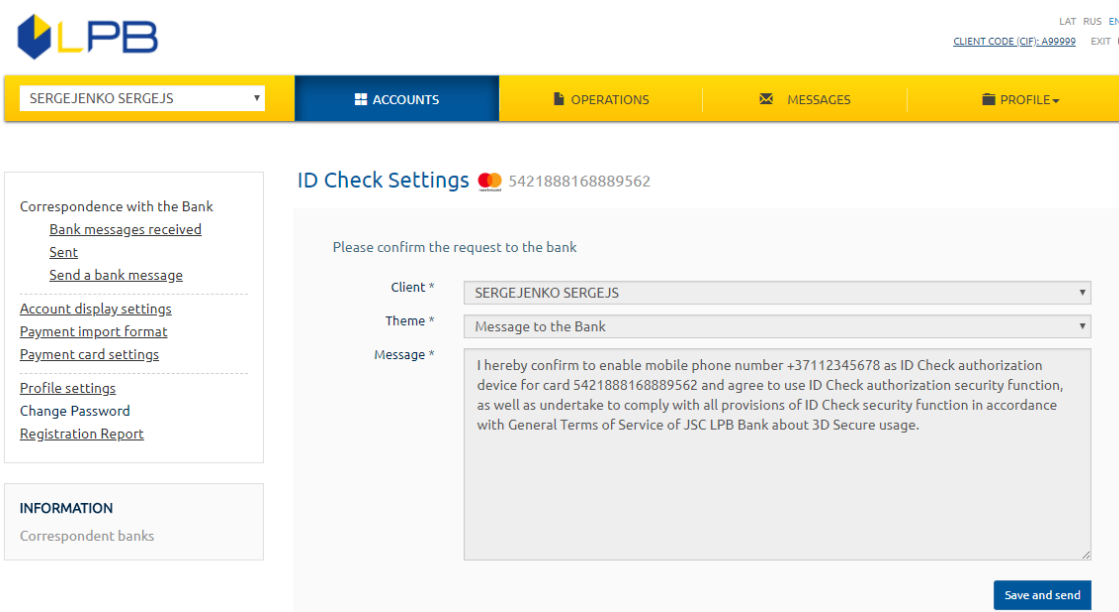

If the mobile phone number you registered for ID Check is different from the identification device in the Internet Bank, the Bank will request you to confirm this identification device by sending to it One-Time Security Code to complete ID Check registration. Enter One-Time Security Code and press “**Continue**”.

ID Check Settings  5421888168889562

The screenshot shows a confirmation screen titled 'Please confirm the request to the bank'. A grey box contains the message: 'One-Time Security Code has been sent to your mobile phone number +37112345678 for signing the document.' Below this is a text input field labeled 'Enter One-Time Security code *' with the number '152 -' entered. A blue 'Continue' button is positioned at the bottom right.

After that press “**Save and send**” and confirm registration with One-Time Security Code or generated signature code from **DIGIPASS** code calculator (Section 4.2.).

The screenshot shows the LPB Internet Bank interface. At the top left is the LPB logo. On the right, there are language options (LAT, RUS, ENG), a client code (CLIENT CODE (CIF): A89999), and an 'EXIT' button. Below this is a navigation bar with a dropdown menu showing 'SERGEJENKO SERGEJS' and buttons for 'ACCOUNTS', 'OPERATIONS', 'MESSAGES', and 'PROFILE'. The main content area is titled 'ID Check Settings' and includes the same MasterCard logo and card number as the previous screenshots. It features a 'Please confirm the request to the bank' section with a 'Client *' dropdown set to 'SERGEJENKO SERGEJS', a 'Theme *' dropdown set to 'Message to the Bank', and a 'Message *' text area containing a confirmation statement. A blue 'Save and send' button is at the bottom right. On the left side, there is a sidebar menu with options like 'Correspondence with the Bank', 'Account display settings', 'Profile settings', and 'INFORMATION'.

ID Check Settings allow you to make changes both for “**Personal Assurance Message**” and device for approving online shopping.

2018 AS LPB Bank

After you enter and verify your payment card details, you'll be redirected to ID Check safe shopping page. This page should show your “**Personal Assurance Message**” and the payment details.

If a personal assurance message other than yours appears on the screen, please do not proceed with the payment and press “**Cancel**”, as fraudulent action may take place. In such case we advise to review your ID Check settings (including text of your “**Personal Assurance**”

Message”) in the Internet bank, under section “Accounts” or address Bank’s specialists by phone: +371 67772999, write a message in the Internet bank, visit Customer Service Center and submit free-form application.

To confirm payment details, press “**Continue**”.

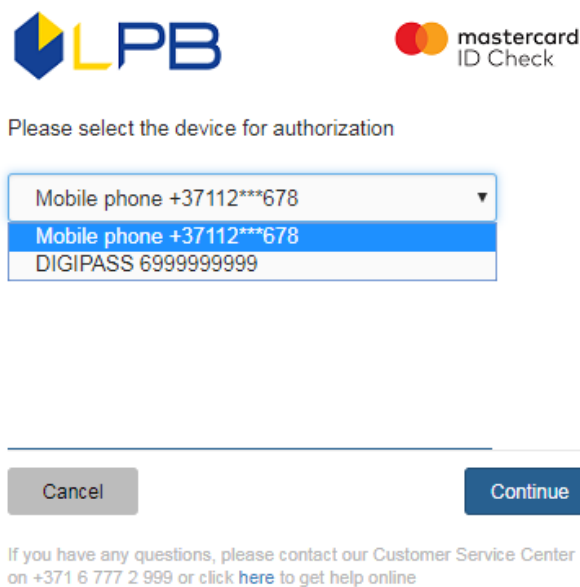

The screenshot shows the LPB Bank logo on the left and the Mastercard ID Check logo on the right. Below the logos, there is a message: "You are on the safe shopping page of LPB Bank. Check the details of your purchase and proceed with the purchase confirmation. This information is not transferred to the merchant." Below this message is a table with the following details:

Merchant:	TESTA MID LPB
Amount:	0.01 EUR
Date:	2018.04.26 14:31:06
Card Number:	XXXX XXXX XXXX 9562
Personal Message:	My secure purchase

At the bottom of the screen, there are two buttons: "Cancel" (grey) and "Continue" (blue). Below the buttons, there is a small text: "If you have any questions, please contact our Customer Service Center on +371 6 777 2 999 or click [here](#) to get help online".

If you have registered several devices for the ID Check, all devices will be visible in the drop-down list.

The screenshot shows the LPB Bank logo on the left and the Mastercard ID Check logo on the right. Below the logos, there is a message: "Please select the device for authorization". Below this message is a drop-down menu with the following options:

- Mobile phone +37112***678
- Mobile phone +37112***678
- DIGIPASS 6999999999

At the bottom of the screen, there are two buttons: "Cancel" (grey) and "Continue" (blue). Below the buttons, there is a small text: "If you have any questions, please contact our Customer Service Center on +371 6 777 2 999 or click [here](#) to get help online".

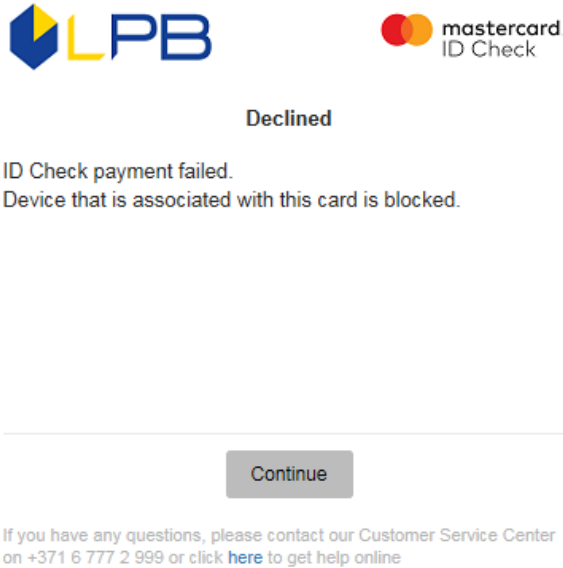

Depending on the selected device, enter One-Time Security Code or generated signature code from **DIGIPASS** code calculator and press “**Pay**”.

After 5 consecutive incorrect attempts of entering One-Time Security Code when signing online payment, the Bank blocks sending of the One-Time Security Code to the mobile phone used at that moment for signing the payment.

After 5 consecutive incorrect attempts of entering generated signature code from

DIGIPASS code calculator (**Login**) when signing online payment, **DIGIPASS** code calculator is blocked.

To unblock the device, please contact Bank's specialists by phone: +371 67772999, write a message in the Internet bank, or visit Customer Service Center and submit free-form application.

After the payment is confirmed you will be redirected back to the Merchant's page.

If for your payment card no device is registered for ID Check payment confirmation, you will not be able make shopping online at the webpages supporting 3D Secure payments. To register devices for ID Check payments, visit LPB Internet bank section "**Accounts**", or contact Bank's specialists by phone: +371 67772999, write a message in the Internet bank, or visit Customer Service Center and submit free-form application.
